## REFLECTION ON PENTECOST SUNDAY

On Pentecost day the apostles spoke a new language.

What was this new language? It was the language of peace rather than war, the language of co-operation rather than of competition,

The Language of forgiveness rather than of vengeance: the language of hope rather than despair.

The language of tolerance rather than bigotry:

The language of friendship rather than hostility:

The language of unity rather than of division:

The language of love rather than hate:

Through the gift of the Spirit,

People of different languages learned to profess one faith, to the praise and glory of God.

That is the real miracle of Pentecost,

And it is a miracle which, thankfully, still happens.
